Wednesday, June 1, 2011

Dear Vendors of Water Supply Equipment & Materials:

The Central New York Water Works Conference will be holding its 39th Annual Clambake and Product Display at Hinerwadel's Grove, 5300 West Taft Road, North Syracuse, N.Y. on Wednesday, June 1, 2011.

Our conference area encompasses 13 counties in New York State and covers 130 waterworks systems. Attendance at this function exceeds 400, including decision makers from their respective companies or municipalities. These people are responsible for water, sewer, highway, parks, and other public works. This event offers you, as sales representatives, the opportunity to showcase your products and make important contacts.

We have space for tabletop displays and areas for large construction equipment (outdoors) each year. Display areas are available both indoors and outdoors, depending on your needs. The number of displays will be limited to 30 vendors.

Membership in our organization insures that your company name appears on our Associate Member advertising board. Our members support the associates that are supporting our organization.

Cost for display areas:

For Members – One Table & 1 Ticket: \$100.00

Each additional ticket: \$45.00

Although last year was a beautiful day please plan to be somewhat flexible in the event of rain. If weather is inclement plan to set up an alternate display on one table. Electric supply is available if requested. The main gate will open at 10:30 AM for Vendors, and all setups should be completed by 12:00 noon.

Please note that each and every person accompanying the displays after 12:00 noon and during the bake must have a Hinerwadel's ticket. Complete the reservation form attached to register a display space and return to Annette Vicik by May 22, 2011.

If you are a manufacturer and are unable to participate on a direct basis we encourage you to pass this information along to your local distributor or representative for participation.

We welcome you and hope you will consider our conference as a vehicle to promote your organization.

Very truly yours,

Nick Kochan
Exposition & Clambake Committee
